

Progress Report for Development of Scientific Journal at Higher Education Institute in Lao PDR

Dr. Saythong Vilyvong (vilayvong2003@gmail.com)

Research and Academic Services Office. NUOL

Mrs. Sisavanh SINGVONGSA.

University Central Library. NUOL

Previous Activities

- March 13-14, 2017: Editor's Workshop in Vientiane with 32 participants from several organizations and faculties around the NUOL joint the event.
- There are 5 scientific journals were evaluated by the ACI committee from Thailand.
- Only one journal from the Medical University meets to the criteria of the AIC.
- Today the Medical University is being developing their journal's website and human resource for improving their journal quality. They plan to applicate for a member of ACI in the next years.
- Others are low quality and needed time at least 2 years for improving.

Further Plan

- Follow up the development of scientific journals in Laos
- Improve the quality and website of NUOL journal
