6. Faculty of Agriculture, NUOL had published their new journal in 2016 namely “Journal of Agricultural Science, technology and Development, JASTD”
7. The International Journal of Research and Methodology in Social Science (IJRMSS) (ISSN 2415-0371) is an online publication. The IJRMSS is an independent academic journal. They publish 4 times a year as an open access publication. The website can be found: [www.socialsciencepublication.com](http://www.socialsciencepublication.com).

# High potential Journals in Laos

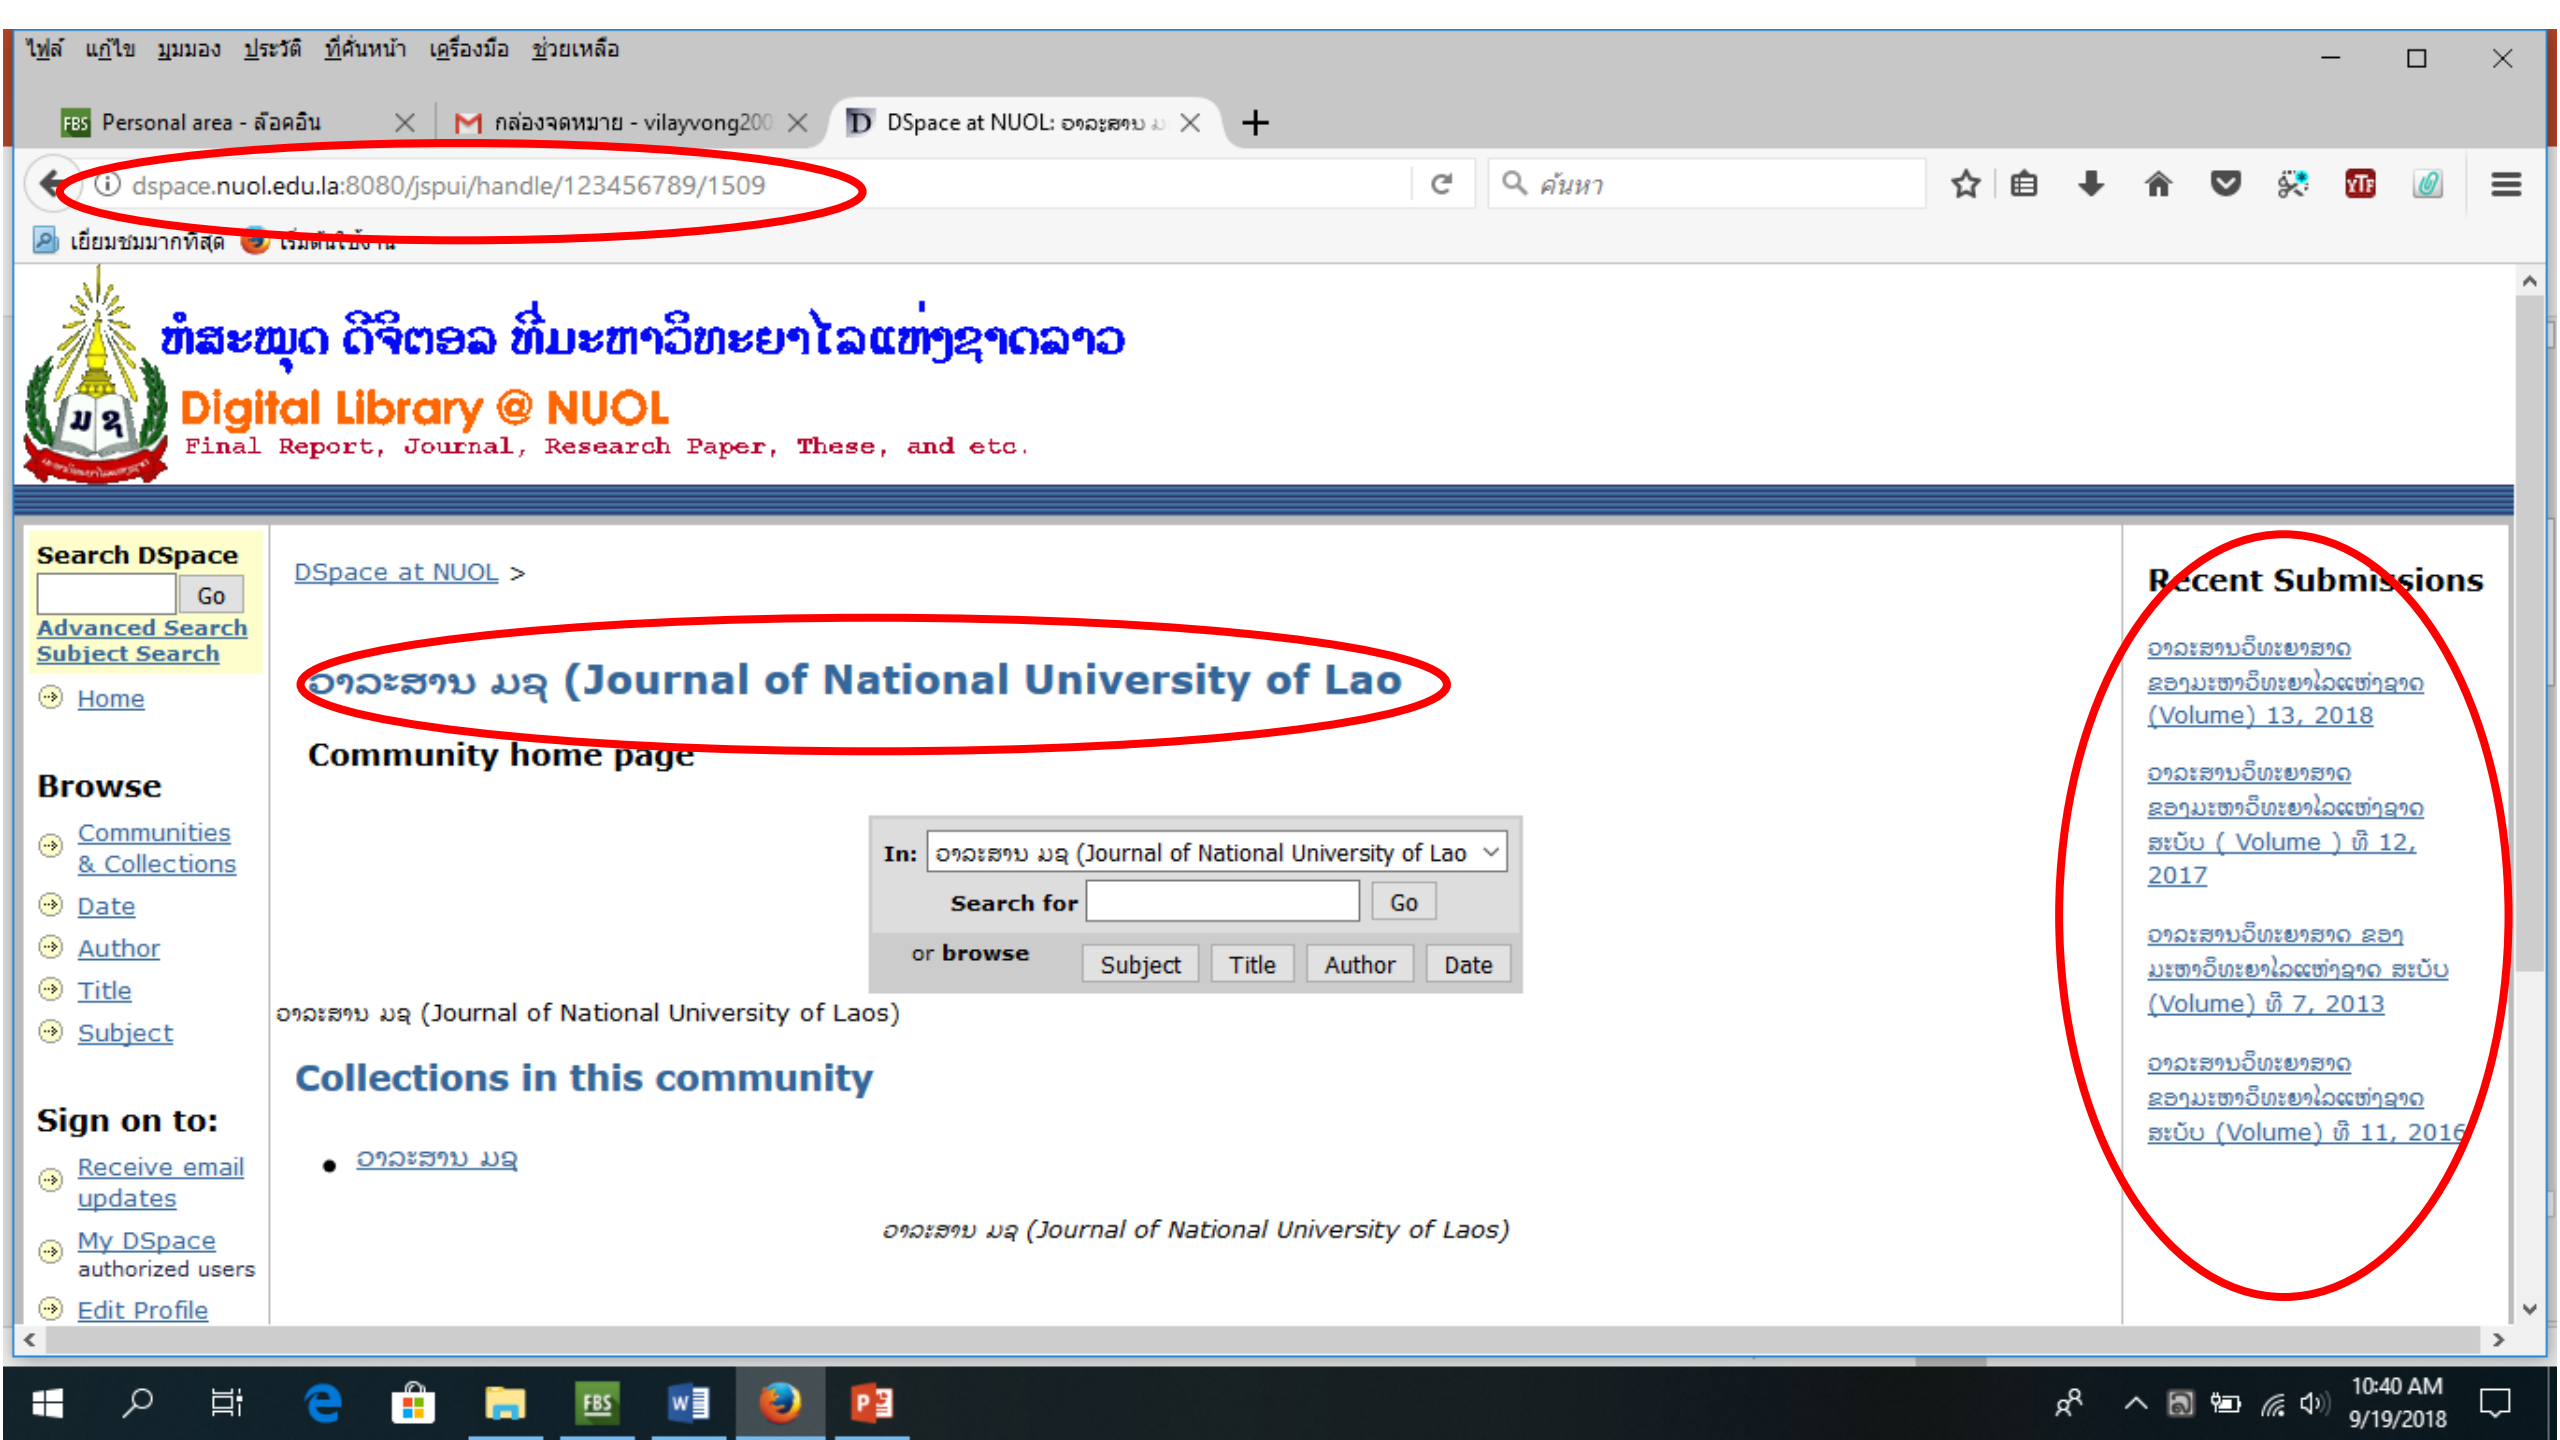

1) NAFRI: **Lao Journal of Agriculture and Forestry**. has published their journal 2 times a year namely: NAFRI's journal granted ISSN in 2017 and they have website and 9 Database systems. The website can be found at: <https://www.aciar.gov.au/node/11306> or <http://www.nafri.org.la/>

2) Journal of Public Health university

3) NUOL journal

# Improvement of NUOL Scientific Journal in Lao PDR

- Throughout the year 2017 NUOL had good achievements in improvement the quality of Scientific Journal and its website
- Since 2018 we produce 2 volumes per year (January -June, and July-December)
- In addition, we improved the quality of the journal such as: format and editors.

# Future plan

1. Improve the website in term of simple feature, language and easily accessing by the users;
2. Improve the regulation of NUOL Research Coordination Committee (RCC) in term of citation system, decimal using and type of Lao front.

**Thank you for your attention**
