Announcement of the 3rd
TCI- SCOPUS-TRF Journal Award
Announcement of the 3rd TCI-SCOPUS-TRF Journal Awards

December 15, 2016

Objective

The award is a strategically mechanism to drive the quality development of the Thai academic journals to international standard. The awarded journals will be recognised as examples of how the best Thai journals can be managed.
Category of the Awards

1. **International TCI-SCOPUS-TRF Journal Award**: is designed to recognise the best Thai journals indexed in the TCI and SCOPUS databases in terms of its publishing quality and international recognition.

2. **National TCI-SCOPUS-TRF Journal Award**: is designed to recognise the best Thai journals indexed in the TCI database in terms of their high quality to meet with the national standard.
