

Indonesian Online Journal Accreditation System

- Accreditation (printed based) has been implemented since late 90s by the Indonesian Directorate for Higher Education
- Two criteria: National and International Accreditations
- Over 200 accredited journals
- It is used for university staff promotion through out the country
- > 300 State Higher Institutions, and > 3000 Private Higher Institutions rely on National Accreditation System for Staff Promotion
- **Online Journal Accreditation** will be launched this year
- Evaluation criteria: adopt Scopus criteria
- 18 Indonesian journals are indexed in Scopus
- 109 journals are indexed in DOAJ
- Indonesian Citation Index (IdCI) is being prepared
- We are ready to work with ACI
